

## TOP SPORT, BREEDING AND BUSINESS UNITED IN ZANGERSHEIDE

From 17 up to and including September 20, 2015 Zangersheide will set the stage again for the FEI World Breeding Jumping Championships for Young Horses. These World Championships for 5-, 6- and 7-year old showjumping horses have been an enormous success over the previous 19 years. At the same time as the WC, an exclusive competition for stallions (FEI Sires of the World), a stallion approval and the Zangersheide Quality Foal Auction as well as the Belgian Jumping Championship Seniors will take place. Sport and business will go hand in hand during these four days in Lanaken.

We can only do so however, with the aid of the sponsors of CSI Zangersheide. Of course, we offer quite a lot in return. Since our event is the only one of its kind, we always receive a lot of media attention from "all around the world". Our show grounds and showjumping rings are surrounded by a decor filled in by our sponsors and therefore it attracts maximum attention of worldwide impact.

### Sponsors and VIP

For our sponsors and VIPs a separate and especially designed hospitality-location with VIP terrace is made available. Here business associates can meet in a relaxed environment and invite relations at their table. As usual, you and your guests will not miss out on anything during these 4 days; obviously Zangersheide only contracts first class caterers who guarantee excellent service and quality. An inventory has shown that in the four days of the event in September 2014, there were no less than 4.700 persons of which 2.800 companies represented.

### What do you pay for your VIP arrangement?

An arrangement with a reserved VIP-table for six persons costs € 5.000,- (excl. VAT).

### What can you expect in return?

Except for priceless relation marketing to be filled in at your leisure during the four days of CSI Zangersheide, we arrange for you on 17, 18, 19 and 20 September 2015:

6 VIP cards per day for access to the event and the VIP terrace;
