THE FEI CODE OF CONDUCT

FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: www.fei.org.

**EXAMINATION ON ARRIVAL
2014 Veterinary Regulations Article 1032**

On arrival at an Event venue all Horses must undergo an examination by a veterinarian to confirm their identification from their passport, their vaccination status and general health. To protect all horses attending events, any Horse with a questionable health status, with regards to vaccination, disease or other concerns, must be stabled within the isolation facilities provided by the Organising Committee pending a decision on entering the venue.

**HORSE INSPECTIONS
2014 Veterinary Regulations Article 1033**

All Horses will be assessed for their orthopaedic fitness to compete during the Horse Inspection. Any Horse demonstrating questionable fitness may be referred to the Holding Box for further veterinary examination. Horses not deemed fit not to compete will be eliminated by the Ground Jury and not be permitted to continue in the competition.

LIMB SENSITIVITY EXAMINATION

Horses are not eligible to compete when a limb, or part of a limb, is hyposensitive or hypersensitive (both of which shall constitute "abnormal limb sensitivity"). Hypersensitive limbs have an excessive or abnormal reaction to palpation. Hyposensitive limbs include any alteration in sensitivity induced by a neurectomy or chemical desensitisation for as long as the alteration in sensitivity persists.

All Horses are subject to Examination under the Protocol for abnormal limb sensitivity throughout the Period of an Event, including, but not limited to, between rounds and before the Jump Off. Horses may be examined once or on multiple occasions during the Period of an Event.

Horses may be selected for Examination under the Protocol randomly or they may be targeted. All Horses selected to be tested must submit promptly to the Examination or are subject to immediate Disqualification. There is no obligation to examine any specific number of Horses at an Event.

DEDUCTIONS FROM PRIZE MONEY AT COMPETITIONS

The O.C. is allowed to deduct all outstanding fees from the prize-money. All payments will be due to Belgian Law and Tax regulations, which means that from all prize money won by foreign (not Belgian) riders, 18% will be deducted.

The tax form must be provided to the athletes upon arrival and returned to the OC prior to departing.

IMPORTANT

The total amount of prize money shown for each Competition in the schedule must be distributed. (GR Art 127, 128)

For details of the Breakdown for each competition please refer to the tables at the end of this document; the OC must specify which of the two tables will be used. The total prize money for the competition must be distributed among the first 12 placed athletes. The OC must provide additional created prizes for athletes placed beyond 12th place. The minimum amount for each of these additional prizes, for athletes placed from 13th to last place, must be clearly specified in the approved schedule.

IMPORTANT

Maximum Number of starters per competition: 100.

If more than 100 starters are entered, the OC must split the class and provide the equivalent amount of prize money for the additional Competition. OCs may apply either of the following methods for splitting the Competition:

The competition is split into two groups before it starts. There may be a different number of starters in each group. There may be athletes with multiple horses in each group but all horses of any one athlete must be in the same group.

OR

The competition is run as one single competition and split afterward into two groups and the classification established as follows: the athlete with the best score is the winner of the first group, the athlete with the second best score is the winner of the second group and so on until prizes have been allocated to 25% of the total number of starters. NB: In this case separate results must be sent to the FEI for each of the two groups, e.g. results for Competition 1a and for Competition 1b.

In both cases above each group must offer the same amount of prize money as indicated for the original Competition.

Program Remarks and Reminders

- **Each horse can start in max. one class per day**
- **Horses starting in one CSI (3*, 1*, YH or U25) have to stay in that CSI during the entire event.**
- **The OC reserves the right to switch arena if the circumstances demands it.**
- **Riders starting in CSI3* or CSI1* have to stay in that CSI during the entire event**

Special qualifying competition for the Caribbean Islands NFs

CRITERIA FOR THE SPECIAL QUALIFYING COMPETITION FOR THE CARIBBEAN ISLANDS NFs SEEKING QUALIFICATION FOR THE 2014 CENTRAL AMERICAN AND CARIBBEAN GAMES

1. General

The OC must appoint an FEI Course Designer, minimum Level 3, to build the course.

The FEI will appoint an international (foreign) judge, minimum Level 3, to act as the assessing delegate.

The FEI will appoint an FEI Veterinarian to perform a horse inspection prior to jumping. For qualifying competitions taking place within the framework of a regular CSI, the horse inspection for horses taking part in the special qualifying competition must be carried out prior to the start of the competition.

An FEI Steward must be present to carry out the usual duties of an FEI Steward including, but not limited to, the boot and bandage control.

In addition to the above an MCP test may be carried out on participating horses.

An exact time must be established for the special qualifying Competition.

The FEI will select an FEI Course Designer to design the course plan. The same course plan will be used for all qualifying Competitions.

The FEI will provide the course plan to the Course Designer appointed by the OC the day prior to the special qualifying Competition. The FEI assessing delegate (Foreign Judge) is responsible for ensuring that the course is built to the required specifications.

The OC must provide complete results for the teams and for all individuals taking part in the competition.

Within the week following the Competition, the course plan and the results duly signed and confirmed by the FEI assessing delegate (Foreign Judge), must be sent to the FEI (john.roche@fei.org).

Special qualifying Competitions that do not meet the above requirements will not be validated by the FEI.

2. Table, Obstacles, Length of the Courses, Speed

The special qualifying Competition(s) will be conducted according to Jumping Rules Art. 273.3.3.1 (two rounds judged under Table A against the clock, without a jump-off) in an arena measuring 65 m X 45 m over two different rounds held on the same day. All teams and individuals are allowed to take part in Round 2.

Thirteen obstacles, including one double and one treble combination.

Height 1.35 m maximum with a spread in proportion to the height. There will be no water jump but a liverpool will be included.

Length: 500 m minimum.

Speed: 350 m per minute.

3. Declaration of Teams and Horses

Prior to the draw for the starting order of the Competition, Chefs d'Equipe must declare in writing which Athletes (minimum three, maximum four) will make up their team. Athletes taking part with

CSI3*/CSI1*/CSIYH1*/CSIU25-A LANAKEN (BEL) Z-Tour 2014 / Week 2 04-06 April 2014.

two Horses must declare in writing, prior to the draw, with which horse they wish to try to qualify for the 2014 Central American and Caribbean Games. This Horse must be ridden first in each of the two rounds.

NB: For NFs that wish to host a special qualifying Competition on another continent for their Athletes living abroad, the declaration of their team Athletes must be made prior to the draw of the qualifying Competition that takes place first, e.g. if an NF wishes to participate with some Athletes at the special qualifying Competition in Wellington (USA) and in addition wishes to participate at the special qualifying Competition in Lanaken with their Athletes living abroad, the NF must declare to the FEI (john.roche@fei.org) prior to the start of the Competition that takes place first (taking into account the different time zones), the names of their team Athletes and Horses.

4. Starting Order

4.1. Starting Order for Round 1

4.1.1. Individuals with declared Horse

A draw will first take place to determine the starting order of the individual Athletes entered in addition to teams, regardless of their nationality. For individual Athletes taking part with two Horses, only their declared Horse will be taken into consideration for this initial draw.

4.1.2. Teams

A second draw will then take place to decide the order in which the NFs which have entered teams will start. Each Chef d'Equipe will then establish the order in which he wishes his team Athletes to start. The Chefs d'Equipe of the teams with only three Athletes may choose in which of the three places out of four they will start their Athletes. The team Athletes will be inserted in sequence in the remaining spaces between the individual Athletes.

4.1.3. Athletes with second Horse

A third draw will take place for the starting order of the second Horse of individual and team Athletes taking part with two Horses. These Athletes will be inserted in sequence following the starting order established for individuals with their declared Horse and the team Athletes in paragraphs 4.1.1 and 4.1.2.

4.2 Starting Order for Round 2

4.2.1. Individuals with declared Horse

The starting order of individuals with their declared Horse in Round 2 will be according to the reverse order of classification (penalties and time) incurred by individuals with their declared Horse in Round 1. Athletes with equal Penalties and time will retain the same starting order as in Round 1.

Individual Athletes taking part with two Horses will start with their declared Horse before the teams in Round 2.

4.2.2. Teams

The starting order of the teams in Round 2 will be according to the reverse order of the team classification (penalties and, in case of equality of penalties, time incurred by the best three Athletes per team) in Round 1. Teams with equal Penalties and time will retain the same starting order as in Round 1.

4.2.3. Athletes with second Horse

The starting order of the second Horse of individual and team Athletes taking part with two Horses will be according to the reverse order of a separate classification based on the penalties and time incurred with their second Horse. Athletes with equal Penalties and time will retain the same starting order as in Round 1.

All individual and team Athletes with two Horses will start their second Horse after the teams in Round 2.

**CSI3*/CSI1*/CSIYH1*/CSIU25-A LANAKEN (BEL)
Z-Tour 2014 / Week 2 04-06 April 2014.**

5. Classification and Qualification for the 2014 Central American & Caribbean Games

5.1 Teams

The team classification will be established by adding the Penalties of each team's best three Athletes in each of the two rounds. In case of teams with equality of penalties, the times of the best three Athletes in Round 2 will be used to separate the teams in question. In case of a further tie, the times of the teams' best three Athletes in Round 1 will be the deciding factor.

5.2 Individuals

The individual classification will be established by adding the Penalties of each individual Athlete with his declared Horse in each of the two rounds. In case of individuals with equality of penalties, the times of Round 2 will be used to separate the Athletes in question. In case of a further tie, the times of Round 1 will be the deciding factor.

6. Certificate of Capability

Athletes and Horses with a score of not more than eight Penalties in either the first or the second round will obtain a Certificate of Capability confirming that the minimum eligibility requirements for the 2014 Central American and Caribbean Games have been met.
