THE FEI CODE OF CONDUCT

FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: www.fei.org.

VI. INVITATIONS

All horses must be registered in a studbook, which is a member of the WBFSH.

Only the studbook in which the horse in question is first registered is acceptable for participation at the Championship. The quota for each country is for horses registered in a studbook which is originally recognized in that country.

Countries, which are not mentioned, because there is no WBFSH Member Association, can apply for a wildcard.

The Organizing Committee (OC) in accordance with the FEI reserves the right to invite approximately 140 horses in each category of age, entered only by their NF; the underneath mentioned approximate quota of 114, divided over the mentioned countries plus 30% additional wildcards from the Organizing Committee (except the competitions for the Sires of the World).

Quota as defined by the WBFSH.

Wildcards

- a. The OC will only accept entries for wildcards made by the concerning NF's invited by the OC.
- b. NF's of countries not included in the above mentioned quotas, can apply to the OC for a wildcard.
- c. Horses that wish to be eligible to receive a wildcard must be registered at a studbook which is member of the WBFSH.
- d. Wildcards can be provided to horses which for instance qualified themselves but have not been selected as their native country is not the same as their country of residence.
The OC, in accordance with the FEI , has the right to adjust the number of quotas in case too many qualified horses apply for a wildcard. This might be the case when in the country they have qualified themselves, the NF does not want to take them in their quota. This is to keep the number of horses from one breeding area in proportion .
- e. NF's who have been given a quota, cannot apply for wildcards for horses that are registered in the national studbooks of the nation of that NF.
- f. **All applications for wildcards have to be motivated by the NF's and must be accompanied with show results. These results have to be faxed or send by email to the organizer.**
- g. The OC will not provide wildcards to horses that have participated at young horses competitions without success.
- h. After the closing date for the definite entries all NF's will be advised about the provided wildcards.
- i. **The OC, in consultation with the FEI , will decide upon wildcards; no further appeal is possible.**
- j. Wildcards are only provided to specific selected horses. Once these horses are selected, they cannot be substituted by a NF. Only the OC can allow substitutions .

The competitor indemnifies the Organiser, the Organising Committee and all persons working for the Organiser from liability with regard to claims made by third parties, including the owners and renters of the horses, for compensation by the Organiser, the Organising Committee and all persons working for the Organiser for all material or physical damage, of whatever nature, suffered by these third parties.

All owners and athletes are personally responsible for damages to third parties caused by themselves, their employees, their agents or their horses. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date.

The FEI insures all FEI Officials, whose names are published in the FEI Officials lists, against third party liability including Judges, Course Designers, Technical Delegates, FEI Stewards, FEI Veterinary Delegates, Para Classifiers, Members of the Judges' Supervisory Panel and FEI Coaches (FEI EADCMP Veterinarians are covered under a different policy):

- Who are acting for or on behalf of the FEI as stated in the approved schedule of the Event or who are acting in the scope and course of the FEI's Business as described in the final approved schedule; and
- Who have received the status of FEI Officials at FEI Events through a qualification process.

The FEI will NOT insure:

- National officials officiating at FEI Events; and/or
- FEI Officials, who have no official function at the Event.

The insurance extended is for any liability that the FEI Official incurs to a third party, and for the costs of defending any such claim arising as a result of actions undertaken by the FEI Official in good faith (including errors and omissions) on behalf of the FEI. However, the insurance for obvious reasons does not extend to any liabilities incurred as a result of an FEI Official's dishonest, fraudulent, malicious, and/or illegal act.

Should an FEI Official become aware of an incident that he or she believes might result in a claim, that FEI Official should notify the FEI immediately and provide all of the facts known to the FEI Official. The FEI cannot guarantee the insurance coverage described above in circumstances where the FEI Official has good cause to believe that there might be a claim and does not provide such timely notice directly to the FEI.

FEI Permitted Treating Veterinarians (PTVs) (Art 1005) are to have adequate professional indemnity insurance.

14. STEWARDING

- If an athlete is uncertain as to whether the boots he/she intends to use during an event are allowed, he/she or his/her representative should show the boots to the Chief Steward for his/her opinion before the boots are used in training or in competition.
- In addition, athletes are to be made aware that hind boots must be removed and placed again on the horse's legs in the presence of a Steward while in the warm-up arena prior to entering the competition arena for certain competitions. (If bandages are used in place of boots, athletes are not required to remove the bandages in the warm-up arena.) This procedure is compulsory for competitions for which boot and bandage control is mandatory, that is the Nations Cup, Grand Prix, and the competition with the highest prize money, and is at the discretion of the Chief Steward for other competitions.
- As an alternative to carrying out this procedure at the time designated by the Steward an athlete may ask his/her groom to take the boots to the in-gate and place them on the horse's legs in front of the Steward prior to the combination entering the arena.
- The Steward has the authority to intervene if a boot is deemed excessively tight by instructing that the boot be removed and put on again correctly. *[Stewards are to note that it is normal for a horse's gait to be somewhat affected immediately after boots have been removed and re-placed.]* If an athlete or his/her groom refuses to remove and replace the boot(s) when instructed to do so by the Steward, a Yellow Warning Card will be issued to the athlete in question.
- If it is deemed impossible or unsafe to remove the hind boots in the warm-up arena prior to the combination entering the competition arena, due to an extremely excited or nervous horse, the boots of the horse in question are to be removed by the athlete/groom following the athlete's round upon leaving the arena and inspected by the Steward. This inspection may be carried out during the boot and bandage control if the boot and bandage control is carried out for the competition in question.
- This procedure does not replace boot and bandage control after completion of an athlete's round for competitions for which boot and bandage control is mandatory (refer to JRs Art. 244.1).
